Northlake 3rd DLI Chinese Newsletter (Jan 13th – Jan 19th)

Dear parents,

The following is this week newsletter**.** Just a gentle reminder, **no school** on **Jan 15th**.

Mandarin Matrix

We're leaning Unit 3 Book 2 **What do you want to drink** this week and will learn Unit 3 Book 2 **Celebrating Mid-Autumn Festival** next week. Some of students might miss reading Unit 3 Book 1 at home so I upload **Help Father** again.

Please help your child to review at home. It works on computer, laptop, smartphone and tablets. If students finish their books before expired day, they will get reward rmb $1 in class.

The pattern of the student's account is **G3.First name@nl17.com**. For example, if someone's first name is Michael, then his login account is **G3.Michael@nl17.com** . If you didn't change the password, the password is **12345678**.

If you have headphone set at home, it could help your child to record it on website. I can hear it from teacher's account as well.
